E-X-T-R-A-C-T

"2. NSA -	25X1
who is the equivalent of Director of Logistics for NSA called upon me for	1
information as to our techniques and procedures on Logistics services	
matters. Jack Coffey accompanied me in the course of the discussion and	
after an hour I turned of Logistics	25X1
Services for a visit to Agency facilities. It was agreed that a briefing in	20/(1
depth on Logistics Services problems would be set up by Mr. Blake and	
Mr. at a date to be suggested by	□ 25X1
will call me to set up this time.

problems are much the same as ours and range	
all the way from emergency power for operation, space allocations and	
controls, security of buildings and installations and Logistics services	
across the board. I think we can be helpful to him. At the same time I
